Based on the epic and widely-acclaimed Sci Fi Channel series, Battlestar Galactica: The Board Game puts players in the role of one of ten of their favorite characters from the show. Each playable character has their own abilities and weaknesses, and must all work together in order for humanity to have any hope of survival. However, one or more players in every game secretly side with the Cylons. Players must attempt to expose the traitor while fuel shortages, food contaminations, and political unrest threatens to tear the fleet apart.
Betrayal At House On The Hill	Fri (8/29): 7 PM - 9 PM Sat (8/30): 2 PM - 4 PM	Betrayal at House on the Hill is a tile game that allows players to build their own haunted house room by room, tile by tile, creating a new thrilling game board every time. Secretly, one of the characters betrays the rest of the party, and the innocent members of the party must defeat the traitor in their midst before it's too late!
Celestia	Sun (8/31): 11 AM - 12 PM	Bluff your way across the clouds. In Celestia, take turns piloting an airship across floating islands to evade obstacles and collect treasure. The further you fly, the better the loot you can collect, but can the captain successfully navigate through the perils ahead? Playing it safe guarantees you'll get something worthwhile, but the bigger the risk you take, the bigger the potential reward.
Coup	Fri (8/29): 12 PM - 1 PM	Bluff and call bluffs until you're the last member of the Court remaining. Trick your opponents by bluffing what cards you have in your hand, but take heed -- if they call you out on a lie more than once, you won't get another chance. Do you have a Contessa? She might be the only thing to protect you from Assassins!
Cryptid	Sat (8/30): 11 AM - 12 PM	You're a cryptozoologist and you're on the hunt for a rare creature, but you only have part of a clue to its location. The rest of your group each has a piece of the puzzle that will lead to the elusive Cryptid, but only one of you can claim the credit of finding it. Use your clue and try to guess everyone else's, and find the Cryptid before anyone else can.
Feed The Kraken	Fri (8/29): 2 PM - 4 PM Sat (8/30): 12 PM - 2 PM	Feed the Kraken is a game with hidden roles and three asymmetrical factions. All players are on the same boat, but want to navigate in different directions! Will you be a loyal sailor, a wicked pirate, or a mad cultist trying to feed the kraken?
Mysterium	Fri (8/29): 5 PM - 7 PM Sat (8/30): 7 PM - 9 PM	Mysterium is a cooperative, investigative murder mystery. A ghost is haunting the manor, and it's up to the psychics to decipher the clues that they've left behind. But the clock is ticking; can you help unshroud the mystery before time runs out? Sign-up here or visit the Social Deduction Zone Booth during the convention.
One Night Ultimate Werewolf	Sun (8/31): 10 AM - 11 AM	Over the course of a single night and the following day, you must determine who among your village is a Werewolf. But even if you started as a humble Villager, you may wake up to find your roll has been swapped, stolen, or spied on by any number of other abilities in play.
Resistance	Fri (8/29): 1 PM - 2 PM	The mission is simple: defeat the Empire. The Resistance Operatives cannot fail, but Empire Spies threaten their success. You have five nights to determine the fate of the Empire; will the Resistance succeed in their mission to topple the evil Empire, or will the Spies sabotage everything?
Shadow Hunters	Sat (8/30): 5 PM - 7 PM	Shadow Hunters is a survival board game set in a devil-filled forest in which three groups of characters — the Shadows, creatures of the night; the Hunters, humans who try to destroy supernatural creatures; and the Neutrals, civilians caught in the middle of this ancient battle — struggle against each other to survive. Identify your allies and enemies early because once your identity is revealed, your enemies will attack with impunity. This ancient battle comes to a head and only one group will stand victorious.
Spyfall	Sat (8/30): 10 AM - 11 AM	Part bluffing game, part party game, and entirely thrilling fun in this game of spies and secret agents. Each round, draw a card that tells you which secret location you're at, or if you're the spy trying to infiltrate the secret location. Then take turns asking each other questions about your card's location to try to guess who the spy is.

New players welcome, no experience necessary. Sign-up for games during San Japan at the Central Texas Werewolves booth in the tabletop hall. <https://linktr.ee/centraltxwerewolves>
